

"We have used ResourceMate® to quickly and easily track our Learning Library materials used by our employees. It is very user friendly and the program easily provides reports we can use. We have been very pleased with the program's functions and its ease of use."

— Human Resources Department,
City of Colorado Springs

ResourceMATE®
Your Library Automation Solution

ResourceMate® is Ideal for your Library

We understand that establishing and maintaining a library can be time consuming and expensive. ResourceMate® will help you use your time efficiently and productively when managing your collection. We've developed the software so it can be tailored to meet your needs, and priced to meet your budget.

As a librarian, you have a variety of tasks and responsibilities to manage. With ResourceMate® you can integrate cataloging, circulation, searching and reporting all into one easy-to-use software program.

You don't have to be an expert librarian to use ResourceMate®! Our program includes all the features you need to get your library started and established.

We listen to you! We regularly release updates to the software that contain improvements based on suggestions from our customers.

Our goal is to provide the best library automation software, and we know the best way to do that is to make ResourceMate® the ideal fit for you!

Our Family of Products includes:

ResourceMate Essential – A great starting point for any library or collection. Will hold up to 10,000* items

ResourceMate Essential Plus – All features of Essential as well as: barcoding capabilities, import/export data, multimedia storage.

ResourceMate Extended – Ideal for organizations that require more advanced features such as circulation rules & restrictions, manage textbooks, audit changes made in the program. Will hold up to 20,000* items.

ResourceMate Premium – The ultimate solution for corporations and those with large collections. Includes 3 shared network users and 3 OPAC licenses and unlimited number of items.

*Additional # of items can be purchased.

**Your Library.
Our Solution.**

We help Organizations Establish Efficient Libraries with a Cost Effective Solution

We specialize in providing reasonably priced, comprehensive high quality software that is easy to use for any size organization or collection.

That's our niche and we're good at it. Just ask one of our more than 10,000 customers comprised of libraries, schools, correctional institutions, non-profit organizations, corporations, retirement communities, religious institutions and many more.

- Maximize productivity and efficiency by combining cataloguing, circulation and searching into one program.
- We listen to our customers and their suggestions and use them for our program updates
- We are proud of the reputation of our support teams as being caring and very knowledgeable.

"ResourceMate's remarkable adaptability has encouraged our creativity and allowed us to emphasize in our library the types of service, information, and support needed by our users. We are so grateful to have found this sophisticated but easy-to-use library software."

— Enloe Cancer Center and Paradise Genealogical Society

With our Family of Products, ResourceMate® will help you organize your library and provide a valuable service to your organization. It will enable you to make the library a success.

Features of the various Family of Products Include:

Benefits for Library staff

- Ease of data entry and cataloguing with ISBN retrieval. Import a list of ISBN's (with up to date support)
- Keep track of what is being checked out with efficient circulation features & restrictions, and weed out any unused items.
- Enter your data from multiple locations with Volunteer Entry
- Report listing of relevant resources for your library are easily created and enable you to keep track of the value of your items with inventory and value reports.
- Create a backup of your database with a few easy steps.

Benefits for your Patrons

- Search tools that allow for easy access to all available resources in the collection.
- With Web OPAC (additional product) search from any computer with Internet access, 24/7.
- Email or print overdue reminders to let them know when items are due back.
- Print or email your search results
- Store favorite search results in book bin

For over 20 years we have helped organizations set up and establish their libraries located in every state and province in North America and throughout 130 other countries.

For all types of Libraries and Collections

ResourceMate® can manage any type of library including: medical libraries, law, science, music, government, correctional institutions, and resource centers.

You can catalogue any type of item in your collection, not just Books or DVDs.

Tailor the program to include your own specific resource types and tailor the fields to match.

Indicate which classification system you would like to use ... or create your own!

Choose from a variety of reports including: circulation, inventory, value reports, and listing by title or subject.
